Complete Report

Complete Report - French Translation

Report by Major Sections

- Design Summary
- Detailed Design

Supporting Materials

- Release Statement
- PowerPoint Presentation for July 27 Stakeholder Call

Documentation

Reporting
- Final Essential Requirements for Mandatory Reporting
- Proposed Harmonization of Essential Requirements for Mandatory Reporting in U.S. Jurisdictions with EPA Mandatory Reporting Rule
- WCI Comments on the Proposed Mandatory Reporting of GHG Emissions from Proposed Reporting for Oil and Gas Operations (Subpart W)

Setting Program Emission Limits
- Guidance for Developing WCI Partner Allowance Budgets
- WCI Recommendations for Implementing the Offset Limit
- Guidance for Distributing Early Reduction Allowances

Electricity Sector
- Electricity Leakage Analysis Summary Report
- Electricity Imports, Exports and Leakage in the Eastern WCI Partner jurisdictions: Quebec, Ontario and Manitoba
- Draft Open Access Technologies Inc. Analysis of Electricity Imports in the Western
Electricity Coordinating Council (WECC) Region
- Announcement Regarding the FJD [First Jurisdictional Deliverer] Approach
- Discussion Paper on FJD [First Jurisdictional Deliverer] Boundary Options for Regulating Electricity Imports
- Covering Emissions From Imported Electricity: An Administrative Approach
- 2007 and 2006 Draft Default Emission Factor Calculators
- Discussion Paper on Renewable Portfolio Standards, Renewable Energy Certificates, and GHG Accounting
- Treatment of Renewable Energy Credits in the WCI Cap-and-Trade Program
- Voluntary Renewable Energy Market: Issues and Recommendations
- GHG Allowance Allocation Options in the Electricity Sector

Offsets
- Offset System Essential Elements Final Recommendations
- Review of Existing Offset Protocols Against WCI Offset Criteria

Auction Design
- Auction Design White Paper Note: This white paper served to inform the decisions by the WCI Partner jurisdictions on auction design. See Section 9 in the Design Summary for the final auction design recommendations.

Ensuring a Well-Functioning Market
- Status Update on Market Oversight Recommendations
- Market Oversight Draft Recommendations
- Report on Holdings Limits

Economic Analysis
- Updated Economic Analysis of the WCI Regional Cap-and-Trade Program
